

RoyalCast "Fiberglass" Polymer Marble Composite Doric Caps/Bases,

Manufactured By Royal Corinthian

1. Hole opening can be increased or decreased. Increasing the opening may result in loss of detail.
2. Caps and bases can be manufactured as load-bearing by decreasing the hole opening by ± 2 ". They can also be made fully solid with no hole.
3. Plinths on bases and abacuses on caps can be made round, removed altogether, adjusted in height, and/or made with vents to allow air flow (important for wood column shafts).
4. Custom capitals and bases available as well as standard Tuscan, Attic, Box, Craftsman, and an assortment of decorative capitals.
